

FOOD RECALLS

What you should know about food recalls.

Recall notices can be found in the news, at your local grocery store, or online at www.recalls.gov.

To identify if a recalled product is in your home, match identifying marks on the product with the recall notice details such as:*

- Product name
- Brand
- Container codes
- Container size

**identifying information may vary by type of food product.*

The recall of one product does not mean all forms of that product are a potential problem.

Occasionally recalls are expanded to include additional products as more information is gathered.
