3. Fold each corner to the center point.
4. Turn the folded paper over and fold each corner into the center.
5. Fold the square in half. Unfold it and fold it in half the other way.
6. Using both hands, place your thumbs and index fingers under the flaps.

## How to play

- This game is for two players. Ask the other player to pick one of the printed squares — for example, "Hot Stuff."
- Open and close the BAC-Catcher in an alternating direction for each letter of the phrase H O T S T U F F (eight times).
- Ask the question closest to the phrase chosen and let the other player answer. Lift the flap to find the answer.
- Now give the BAC-Catcher to the other player. It's your turn to answer.
- Alternate asking and answering until all the questions are answered . . . everyone wins by learning about FOOD SAFETY.
