

# Hand Washing Song

Turn the water on.

Put some soap in my palm.

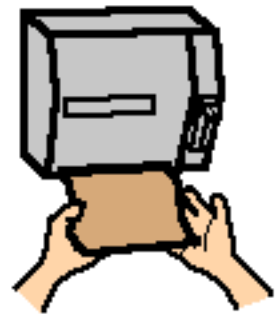

It's no trouble making bubbles  
when I'm washing my hands.

Bye-bye bubbles, bye-bye.

Water off! Time to dry.

Front and back and every finger

When I'm drying my hands.

(spoken)

But please! Remember to throw away  
your paper towel  
Or hang up your cloth towel.
